

# Lions Gate Quilters' Guild

May 2011

## From Your President.....

Welcome to spring everyone. What a glorious day it is as I write this note to you. The Executive met last night and a regular item on the agenda is the evaluation of our last guild meeting. Yes, we do talk to each other so that we can continue to enjoy fine programs and have productive guild meetings. Everyone in the group commented and were in absolute awe of the number and the quality of the "Quilts for Japan". Well done Rosalind and our Community Quilts Committee and everyone who rallied and spent some extra time this past month to finish a quilt they wanted to send to Japan. Rosalind will tell you more about the quilts' journey to Japan at our next guild meeting.

Gail Hunt, author of "Quiltworks Across Canada" was our guest speaker and she had some very wise words for quilters. I particularly remember her saying that if one's first spouse does not work out very well then, according to the marriage vows, there were others out there: 4 better, 4 worse, 4 richer and 4 poorer. It just makes one think. She showed us a little of the anatomy of a Canadian quilter showing the huge bladder and very small stomach as we quilt. No time to take bathroom breaks or for nourishment. Quite the presentation. We had the big screen out and our cordless mike was working perfectly. In February the guild purchased an Epson digital projector and Gail used it. No more borrowing or renting equipment, we have entered a new era of technology.

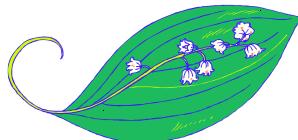

Speaking of technology, Colleen Bell, our web master, is going to use the survey information you sent her and incorporate it into a presentation about the potential of our guild website during our May Guild Meeting. I am hoping to learn more about this fascinating machine called the computer. So, do your prep work and come with your student hats on to enjoy this learning experience or come and just enjoy the show. It might be helpful if you went to the guild website: [www.lionsgatequiltersguild.com](http://www.lionsgatequiltersguild.com) before the meeting and just play around. Just click away on those icons you see on the screen and see where it takes you.

I must apologize to Marg Marlow for trying to give away her job as Spring Retreat Coordinator, which she does very nicely. Marg submitted her report of Spring Retreat 2011 to the Executive and has enthusiastically volunteered to take the job on again next year. We also officially appointed Dianne Ritter and Rebecca Skiffington as our Quilt Show 2012 Coordinators. Thank you very much Marg, Dianne and Rebecca. Myra Frampton also would like some new folks to step up and help her out with refreshments. So please think about that while you are surfing our website with that cup of tea.

Finally, remember your name tag, your mug, your cheque book, any raffle quilt blocks, community quilts, and show and tell, of course. See you on the 24th, the 4th Tuesday of May.

Happy Quilting.

*Betty*

## From your Programme Committee ...

How much fun was Gail Hunt? I will admit that I might have some of the typical anatomical features of a Canadian Quilter but I hope not all of them. In particular, I hope that I can avoid her footwear faux pas.

This month Colleen Bell is coming to talk to us about her ideas for our web site. Colleen has been quilting for almost as long or maybe longer than she has been designing web sites, which she began doing in the very early days of the web (early 1990s). But it wasn't until late 2009, as a project for her master's degree, that she really started to explore how the Guild could make better use of its web site to support the activities of the Guild and its members. When she was asked by the outgoing executive to take on the web site, she jumped at the chance. Colleen's presentation will combine some of the ideas she developed in 2009 with the results of the current member survey to propose some directions for our guild web site ... making it more interactive and dynamic, and maybe even offering features that no other guild - anywhere! - offers.

I hope you all have wonderful plans for the upcoming long weekend. Maybe some quilting is on the agenda.

Andrea

P.S. Mmmmmmm May birthdays???

## QUILTS FOR JAPAN

Thank you for your very generous contributions to the 'Quilts for Japan' project. You will be able to follow the progress of the quilts on Facebook under "[quiltsforjapan.ca](http://quiltsforjapan.ca)" and on the internet. Pictures of the quilts will be on the sites within the next couple of weeks. We sent off 7 large boxes with 104 quilts on Monday May 2 by Greyhound to Calgary. Twelve quilts were from Denman Island, 5 were from The Creative Edge quilt shop, 10 were from Community quilts and 77 were made by our Guild.

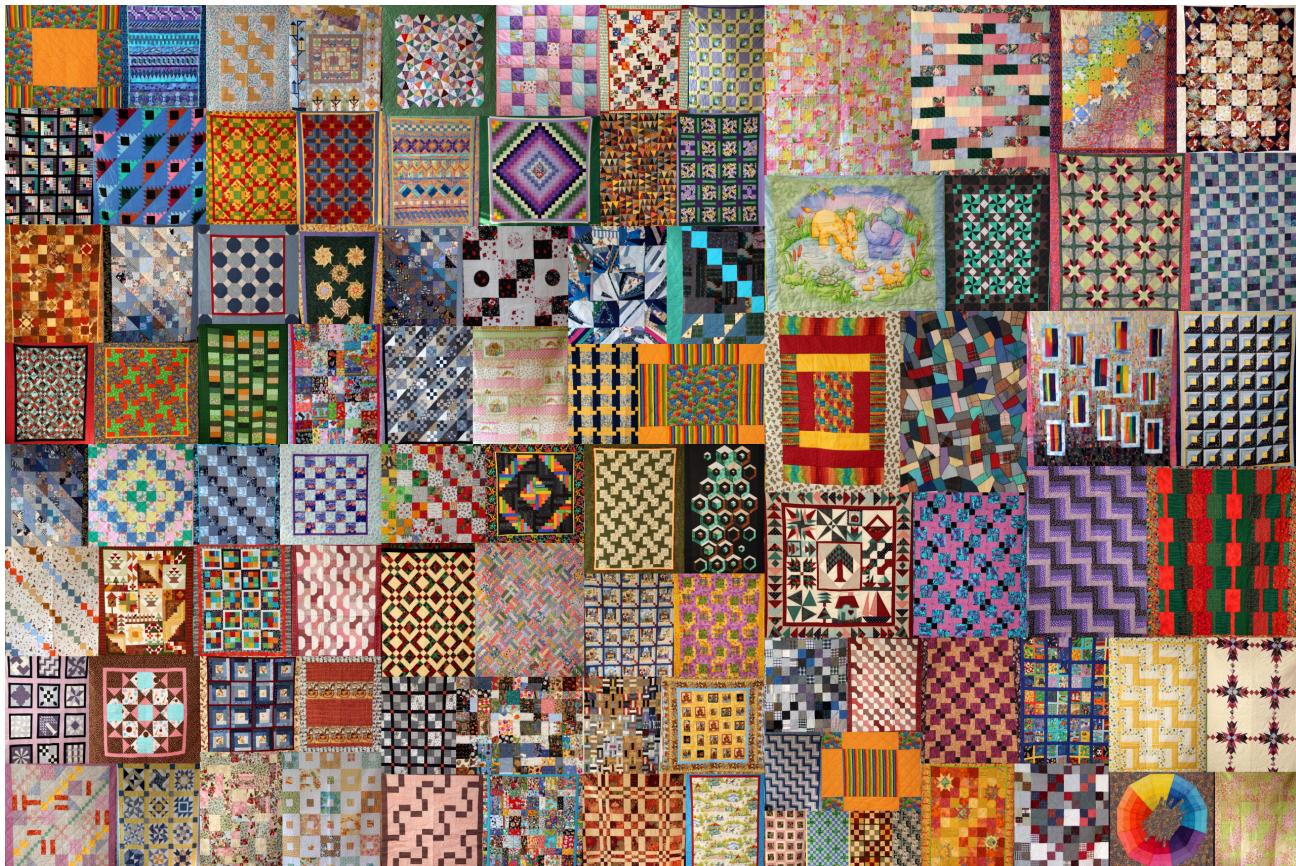

We received the following email from Bev Rogan in Calgary, along with the wonderful quilt collage photo included here:

*"Many thanks to the very kind hearted and talented quilters of the Lions Gate Quilt Guild! What a truly impressive contribution you have made. Thanks to your efforts there will a lot of hope and comfort finding its way to Japan. With my deepest gratitude and thanks to you all, Bev"*

The Canadian Quilters Association have also acknowledged our contribution with the following email :

*"Hi there - I was just on [www.quiltsforjapan.ca](http://www.quiltsforjapan.ca) looking at all the photos of quilts received and saw that your guild donated about a hundred beautiful and varied quilts - what a wonderful community spirit you must have in your guild! I can't imagine how much these quilts will mean to those people who lost everything in the earthquake and tsunami. Thanks and congratulations."*

### *Quilting Tip from Renata's collection:*

Keep an album of snapshots of every quilt you make. Include information about when, where and why you made the quilt, who currently owns it, etc. Years from now, you'll be glad to have a record of the quilt you sold at the local craft shop or sent off to college with your child. The information may prove meaningful to family members and future historians.

## ***Hello Hospitality Helpers !!***

I would like to ask for someone to help with the prepping of tea and coffee at our meetings. I can't always be there and would like someone else to be able to get things started. Louise Bovet is often there to help and I will always help when I am there as well.

You would need to be at the hall between 6:30 & 6:45 to get the coffee going and kettles boiling, and clean up afterwards.

Please email me at [myraframpton@gmail.com](mailto:myraframpton@gmail.com) or phone 604.929.3133.

It would be great to be able to "mentor" you for the next 2 meetings!

Hope to hear from someone!
