

# Lions Gate Quilters' Guild

**June 2007**

## FROM YOUR PRESIDENT

Wow! Haven't the last six months flown by? Hope you are enjoying this wonderful sunny warm weather like I have been and are looking forward to the June social.

I hope that those of you that have made 9 patch quilts in the past can bring them to our social for Show and Tell to inspire all those making 9 patch quilts after the exchange of patches.

Our Community Quilts programme is a very important part of what our Guild does so please continue to work on them for the fall and call Edna Simpson, chairperson of the Community Quilts Society, if you have any questions or ideas.

If you haven't signed up for the Fall Seminar workshops please do it at this meeting so that we can make sure the instructors know the numbers and facilities are ready. The lecture tickets are available for \$8 – Make sure you allow some time to complete your challenge quilt – "Where I Came From".

At our May meeting the suggestion was brought up about adding the email addresses to the membership list. To people who use email all the time this is a valid question but upon discussion it became very clear that most people would not like to have their emails published. Several members have said that they would not give us their email addresses for the newsletter publica-

tion if there were any chance that they would be published to the general membership. This is a matter of privacy that we must respect. If you would like to email someone you can always ask the individual for his or her address.

Since this is our last meeting until September please don't forget to return any library books you have out. An inventory of all books and materials is done over the summer months and it is easier if we don't have to chase down books. If you can't make the meeting, give the books to a friend or any executive member who can take them, or contact Bev to arrange dropping them off.

A member has advised us of the possibility of CQA coming to the lower mainland in 2009, and has solicited interested guilds to participate in the organization of the conference. Anyone who is interested is asked to contact Johanna Alford directly at 604 466 1706. More info available at the information table.

The executive extends to everyone a wish for a safe and happy holiday with lots of opportunities to quilt or at least quilt shop.

Rosalind

## MEMBERSHIP

### Vicki Digby-Membership Coordinator

The Guild currently has 228 members. We have 2 new members this month. Please look for and welcome Marika Dauberman and Vivian Kapusta to our Guild. Sandra MacGuilliveray joined the Guild in March and then won the Door Prize for May. Congratulations!

At the May General meeting, a member brought to the floor a suggestion that the membership list that is circulated to all members include e-mail addresses. She would like a membership vote on this issue.

As your Membership Coordinator and the Privacy Officer for the Guild, I have some reservations about including e-mail addresses on the membership list. I have had many members tell me that they would not share their e-mail address with the Guild if it was published on this list. This would pose a serious problem for the Internet distribution

**Name Tags** - Remember to bring your name tag with you. If you forget it I will have sticky tags for a donation of 25 cents - so remember to bring your own.

of our monthly newsletter. In my opinion, we should continue publishing the membership list as is. If individuals want to share their e-mail address with other members of the Guild, they are free to do so privately.

If you would like to vote on this matter, please indicate that to your executive by sending me an e-mail via the website address:  
[membership@lionsgatequiltersguild.com](mailto:membership@lionsgatequiltersguild.com)

The 2007 Membership lists have been printed and will be available for pick-up at the June meeting. This will be the last meeting that the list will be available, so please be sure to pick up your copy! If you know of a member that will not be at the meeting, please pick up theirs for them. Thank you!

Happy quilting!

## LIBRARY

### Bev Dunphy, Librarian

### Greetings from the Library

Just to let you know about some procedures regarding overdue books. If your book is one month overdue, I do not phone you. There are just too many people with overdue books for me to do this. If your book is two months overdue then I will give you a reminder phone call. If your book is three months overdue you will automatically be billed for the cost of the books. Fortunately, most members seldom have an overdue book.

We will be having a sale of discarded library books at the June social. Books will go for \$1.00 and the money will go to buy new books. Don't forget your library books as all books must be returned at the June meeting in order for me to do inventory in the summer.

## PROGRAM

### *Maureen Van den Dool- Program Coordinator*

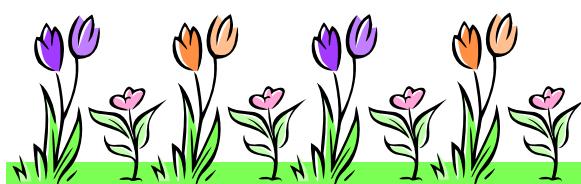

I enjoyed seeing the mystery quilts at the last meeting and I encourage everyone to bring their finished tops to the June *Show and Tell* as well. I know there are a lot more out there, because we had such great participation in the mystery quilt program. Thanks!

Ok! The sewing is done; Fifty of us have 150 nine patches. The next step is to choose a design for the quilt. We could use a little inspiration from those of you who have 9-patch quilts in your quilt collection. All quilts that contain 9-patches are welcome. That includes quilts with any size of 9-patches, quilts made with scrappy 9-patches and quilts with carefully planned colour arrangements. Bring your quilts to the June meeting. We will have you show your quilts at a special section of Show and Tell.

This month is our social month! We will have tables and chairs set out, snacks and time to meet new people! This year our tables will be colour coded to give everyone a chance to meet someone new during the first half of our program. During the second half people are free to mingle and socialize. Feel free to bring any hand work you might like to work on during the meeting.

September's program is fall seminar. We will also have a sign up for a mini- mystery developed by Dianne Ritter and myself. By "mini- mystery" I mean that it is a small project designed for Christmas in mind. Sign up will start in September with fabric requirements and cutting instructions. Receive a step in October and November, finish up at December COPS day and have it ready for Christmas.

Our other exciting news is that in January we will be presenting a new program that has never been offered at our Guild before. Janet K. and our program committee will be offering a chance to participate in constructing an Embellished Art Doll. We hope that this will appeal to our Art Quilters, as well as anyone wanting to try something new. Follow our newsletter for more details.

## Raffle Quilt 2008

### Diane Ritter, 2008 Raffle Quilt Committee Coordinator

It may seem like our next show is far off in the future but to ensure we have our raffle quilt/s ready for ticket sales in the late winter early spring of 2008, the time to start is now! Thanks to the generosity of Leslie Forbes we have a beautiful hand appliquéd and hand quilted quilt to get us started. The only thing better than having one beautiful quilt to raffle off is having two!

If you are new to the guild and are wondering what our raffle quilt is in aid of, it is the main fundraiser for our community quilts society. Everyone who is a member of Lions Gate Quilters Guild is also a member of our Community Quilts Society. Via the society we distribute quilts to various agencies in our community for the benefit of persons who for one reason or another may find comfort in the gift of a hand crafted quilt.

In order to reduce the hours of commitment that will be required of the volunteers I have decided to try a team approach to the project. There will be four raffle quilt teams:

- 1) Design/Fabric/Piecing/binding
- 2) Quilting
- 3) Raffle ticket sales pre show

de-

- 4) Show display and ticket sales.

Volunteers needed for teams:

- #1 – Responsible for choosing the design, purchasing the fabric, piecing the top and back, adding the binding and label. Team members need to have accurate piecing skills. **THIS TEAM IS IN PLACE AND HARD AT WORK ALREADY!**
- #2 – Responsible for choosing the quilting design and hand quilting the quilt. Team members should have good to excellent hand quilting skills.
- #3 – Responsible for ticket sales prior to the show. Ticket sales at our meetings/other guilds/public locations. We need enthusiastic ticket sellers!
- #4 – Responsible for setting up and take down of the Raffle quilt display at the show, ticket sales during the show, overseeing the draw on the final day of the show, publishing pictures of the winner in the local paper.

My goal is to have Team #2, 3 and 4 in place by the September meeting, and have the quilt ready for display and ticket sales by the February meeting.

To volunteer to help with the raffle quilt please see me at the meeting (I will have a sign up list) or call me (my phone # is on your membership list).

I am looking forward to working with guild members on our 2008 raffle quilt and would like to thank the executive for the opportunity!

## HELP US BUILD THE 2008 RAFFLE QUILT

### Raffle Quilt Committee Team #1

Our team would like to involve as many guild members as possible in the creation of the Raffle Quilt. Help us build a collection of fabrics for the quilt. Everyone attending the June meeting is asked to bring a fat quarter in BLUE or CREAM. How much fun will it be to see YOUR fabric in the completed quilt!

When selecting fabric to bring please use the following criteria:

**Colour** – Any shade, tone or value of Blue or Cream

**Scale** – Please stick to small to medium scale prints

**Pattern** – Plaids, florals, geometrics etc. The more the merrier!

**Quality** – Please bring only Quilt Store Quality 100% cotton fabric

Please do not bring:

- Fabric with metallic accents
- Plain muslin
- Fabric that has a colour other than Blue or Cream in it.

We are very excited about the design we have chosen and look forward to revealing the finished quilt to the guild in 2008.

We will have a collection basket at the June meeting waiting to be filled with your treasures.

Many thanks for your participation!!!!

## TIDBITS FROM THE TREASURER

*Janet Kugyelka, Treasurer*

Thanks to everyone for their attention at the last meeting to allow explanation and clarification into the details of your guild's finances. Members tell me that they appreciate the opportunity to understand the guild finances and the rationale behind the decisions that the executive make on your behalf.

I'll bring copies of the information to the next meeting for those of you who wish a second (or first!) look. Remember that the June meeting needs to serve as a special Annual General Meeting to deal with the unresolved financial business as well as our summer "social". I look forward to seeing ya'll.

## FALL SEMINAR 2007

*Marg Marlow—Fall Seminar Coordinator*

Registration for Fall Seminar has been successful, and I expect we will have more mail in registrations during the summer months as there are still openings in all classes. If you know of someone you think would like to join us for Fall Seminar, please send them to our website where they will find all the information. If you have any questions regarding anything about Fall Seminar please feel free to e-mail me at [workshops@lionsgatequiltersguild.com](mailto:workshops@lionsgatequiltersguild.com). This is an opportunity not to be missed, and our committee members have all worked very hard to bring this Seminar, with such a diverse group of teachers, to reality. Supply lists will be sent out via e-mail by the end of June.

Don't miss out on the Slide Show/Lecture evening as all the teachers will be giving short introductions to their classes and there will be door prizes. As an added bonus the Guild Challenge Quilts will be on display and you will get to vote for your favorite one. It is sure to be a fabulous evening! Remember to bring a friend.

Keep working on your Seminar Challenge 2007 quilts! All challenge quilts will be displayed at the Kaye Meek Centre on the Seminar's opening evening, Wednesday, September 26th, 2007. A ballot will be given to each attendee to vote on their favourite. The challenge quilts will be displayed at the October 23<sup>rd</sup> LGQG meeting and the three favourites will be announced. Prizes will be awarded at that meeting so be sure to attend. Have fun with it and remember the biggest challenge is to get it finished.

## UPCOMING WORKSHOPS

### *Marg Marlow—Workshop Coordinator*

June 2007 LGQG Newsletter: The following Workshops will be held this fall:

Vivian Zuba did a trunk/slide show at our May meeting which was just wonderful, so we have a series of classes which she will teach over the next few months. This is the first one.

**‘Permission to Play’**, an exploration of fibre art techniques with **Vivian Zuba**

“When talking with quilters the one thing she hears the most is “I wish I had permission to play”. So Vivian created a class that does exactly that. Permission to Play gives the student 6 hours to explore (and create) fibre art, all while learning the techniques that make it fast and easy. Vivian says this class has been very popular and several have said “it’s the best class I’ve ever taken”.

**Date: Sat. Nov. 3, 2007**

**Time: 9:00 a.m. – 4:00 p.m.**

**Location: TBA**

**Cost: \$65.00 includes \$25 kit**

**‘Creative Machine Quilting Designs’ Free Motion Style! with Marg Marlow**

You’ve taken machine quilting classes, and have even done some, but you really can’t ever figure out how to, or what to do for designs. In this workshop, you’ll first draw the design, then you’ll work on your machine re-creating what you’ve drawn on paper. I’ll bring many ideas to include the ever popular ‘Feathers’, to Ferns, Vines, Flowers, Leaves, and more, and you’ll create some of your own along the way. Bring one of your ‘unquilted’ projects, and I’ll help you decide how to make it come ‘Alive’ with stitching.

**Date: Sat. Nov. 24, 2007**

**Time: 9:00 a.m. – 4:00 p.m.**

**Location: TBA**

**Cost: \$48.00**

**‘Land Sea Sky & Thread’ with Marg Marlow. This is the class that sold out at the Gibson’s Fibre Arts Festival in 2 weeks!**

Create a colourful, textured landscape that is quilted, embellished, embroidered, and beaded, all on your machine! On Day one you will create the fabric landscape with your beautiful fabrics, using invisible appliquéd. On Day 2 you will sew all of the stitching, with all your threads in many different designs including Thread Painting. With a supplied pattern and your own well-tuned zig-zag sewing machine, you will create a fabulous ‘piece of art’ and learn many new techniques.

**Date: Sat. & Sun. Dec. 1 & 2<sup>nd</sup>, 2007**

**Time: 9:00 a.m. – 5:00 p.m.**

**Location: TBA**

**Cost: \$120.00 includes \$20 kit**

### C.O.P.S. Days for fall 2007

**Saturday Nov. 17, 2007 to be held at the ‘Bridge’**
