

# Lions Gate Quilters' Guild

September 2010

## From Your President:

What a marvelous social tea and quilt show wrap-up in June! I hope all of you had a good summer and are ready to get the machines humming again (well, at least start to clean out the sewing area)! My summer was a bit stressful so I made a couple of quilts for Community Quilts - a fun technique I learned over in Parksville - hopefully I'll remember to bring them to the meeting (perhaps without binding!)

### This Month's COPS\* Day

**WHEN:** Sat. September 18, 2010

**WHERE:** St. Catherine's

**COST:** \$10.00 plus a plate of sweets or savouries.

**\*C.O.P.S. (Creative Ongoing Process Session):**  
Everyone welcome... new members, long-time members, friends, everyone!

The program committee has been hard at work over the summer and have lots of exciting things happening in programs this fall – please see Elaine Thody's write-up later in the newsletter for all the details.

The September meeting will bring us Bonnie Hwang from Richmond. I'm sure most of you have heard of her and seen her patterns. She does a wonderful trunk show with lots of quilts and lots of stories about her journey from learning quilting in Taiwan from (strict) Japanese teachers, to her move to Canada and the wonderful free-flowing curved pieces she now does. She'll be doing a couple of classes for us after Christmas, so this is your chance for a sneak preview as well!

Rosalind Knight has set the dates for Community Quilts 2011 - more on that further on in the newsletter.

Our thanks to everyone who filled in a questionnaire about Fall Seminar. We've decided at this time that there really is not enough enthusiasm for this event to warrant the amount of work it is to put it on (not to mention the difficulty with venues). Marg Marlow has done a fabulous job for many years, but feels it is time for her to take a break as well. What we'd like to do is have the "Challenge Quilt" event due in the fall of 2011 at a meeting and are looking for someone to look after this. We've given all the seminar ideas to workshops and hopefully will be able to take advantage of "exotic" teachers/speakers in conjunction with other guilds as the opportunities arise. If anyone has an idea of a teacher they would like, AND are willing to do the arranging, liaise with other guilds (we have the contacts) etc to make it happen, please present your idea to the executive and we'll go from there. Joan has lots of great workshops planned for the next few months - see elsewhere in the newsletter for those.

Elections will be coming up in February - up for grabs are secretary, president, vice-president, workshops, memberships and one member-at-large. Now is the time to start thinking about this either as an individual or a team, as applicable. Being on the executive is not so onerous - it's even fun and you get a direct say in how YOUR guild is run and what direction it should go in.

See you all at the meeting on Sept 28 - before that there's a COPS day on Sat Sept 18<sup>th</sup> at St. Catherine's Church. Due to lack of interest, there will be no more meeting day drop-ins but the hall is open in the mornings if you need tables to layer a quilt - just put them back where you found them please and thanks!

### OH JOYFUL CHRISTMAS TREE SKIRT

with Krista Hennebury

Spruce up your evergreen this holiday season with a new dress! This lovely scalloped tree skirt is simple to construct with scrappy strips in bright, modern prints, or equally beautiful in traditional Christmas greens and reds. Choose a white background to accent your brights, or perhaps a dark snowflake print for a night-time scene. There are also many embellishment opportunities for the pieced treetops; add ribbon bows, button stars or perhaps appliquéd felt snowflakes! Krista will have a sample of her tree skirt at the September meeting.

Participants are free to swap strips at the start of class to build a variety of fabrics for their project, or just come along with their own fabrics ready to go. You'll learn tips for pressing long skinny strips accurately and how to apply a bias binding to those scalloped edges. Some pre-cutting is required so that we can maximize class time and get our tree skirts completely pieced! It's a Christmas project, so you know there's gonna be cookies!!

Date: Saturday, November 20, 2010

Place: St. Agnes Church, 530 East 12<sup>th</sup>, North Vancouver

Time: 9:30 a.m. to 4:00 p.m.

Cost: \$35.00 (includes \$10.00 pattern fee)

\*\*\*Registration will begin at the September meeting. Please check your calendar so you don't miss out on this class and bring your cheque book in order to register for this workshop.

**Watch for information in the October newsletter about new workshop offerings for the Winter and Spring of 2011.**

## Workshop Cancellation Policy

- ☛ If a class overfills on the first night of registration, there will be a lottery.
- ☛ If a class does not fill on the first night of registration, the workshop committee will decide if the class will go ahead.
- ☛ If a class does go ahead all those registered on the first night would be guaranteed a spot. Further registrations would be collected on a first come basis.

### \*\*\*WORKSHOP SURVEY QUESTIONNAIRE\*\*\*

The workshop committee is interesting in learning a little more about the kinds of workshops you would like us to look into hosting. As a result, you will be find a questionnaire on your chair when you arrive at the September guild meeting. We would ask that you take a moment to check off the workshops you would be interested in attending and then return the completed questionnaire to the basket on the workshop table before the end of the meeting. Any comments you wish to add would be greatly appreciated.  
Thank you for your help!!

## Quilt show Report

Our 2010 Album of Quilts was an unqualified success! I must confess the committee and I were a bit nervous about the change of date, the new venue, and having a new coordinator but thanks to all of the outstanding volunteers and your beautiful quilts the show came off without a hitch and was very well received by the viewing public.

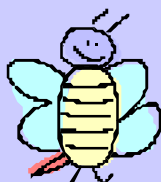

Our financials and statistics have been given to the executive in our wind up report and will be contained in the September executive minutes. The minutes are available at the meeting, if you are interested in seeing them please ask the librarian and she will assist you.

A HUGE thank you to my Quilt Show committee without whom the show would not have been possible. They worked tirelessly in the months prior to the show as well as during the two days we were open to the public and I cannot say enough about their level of organization, their dedication and their ability to work together with humour and enthusiasm.

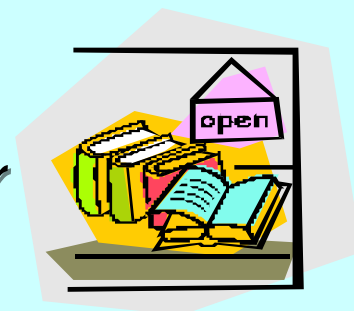

To the volunteers who worked on the various committees and at the show I cannot thank you enough for stepping up to the plate. We would have been lost without you and your warm smiles and friendly attitudes made our guests feel welcome and at ease. To the members who made items for the boutique thank you for going that extra mile and creating such a large quantity of the most amazing and varied display of craft that we have seen in our boutique. I had the pleasure of touring one of the city councillors around the show and he was surprised to find that our members had created all of the items in addition to making the quilts hanging in the show! So much so that he went off and brought his wife and a group of visitors from Europe back to see the quilts and to shop!

Well done everyone, very well done indeed!!

## LIBRARY

We have had a busy summer getting the library ready for the coming year. Thank you to all of you who returned your books to us over the summer. We went over all the books and magazines and removed many that had not been taken out in four years or more. These will be on sale in November.

Below are the still missing books, magazines and tools and we're asking if you could please take another look to see if they may be hidden beneath any of your many stashes in your quilting room and bring them to the next meeting.

- ≠ 214 - Blockbender Quilts, Margaret Miller
- ≠ 416 - Log Cabin Rediscovered by Machine, Brenda Brayfield
- ≠ 524 - Fantastic Finishes, Rodale Press
- ≠ 701 - Pathfinder Ruler, Jane Walker
- ≠ 704 - Double Wedding Ring Templates - 8 Pink Templates & Instruction Book by Sharlene Jorgenson
- ≠ 854 - Celtic Fantasy - Rhapsody Quilts - Design Companion Vol. 3, Ricky Tims

New to the library

### Books:

Earthly Delights by Karen Kay Buckley  
 Bead Creative Like Crazy by Nancy Eha

### DVD's:

Hand and Machine Appliqué the Karen Buckley Way  
 Screen Printing Sampler by Jane Dunnewold

Every so often, we figure we need to drag out the library rules so here they are:

1. You can take out 3 items for one month
2. Overdue fines are \$1.00 per item per month
3. Membership card MUST be shown
4. All magazines must now be signed out

We always appreciate any help from our members so come and sign up to volunteer on a day of your choice. We've had a great first year as librarians and have learned lots and are looking forward to the new year.

*Cathy & Pamela*

## From your Programme Committee .....

### September Programme

The September meeting will feature a talk and trunk show by **Bonnie Hwang**. Bonnie is an award winning teacher and quilter who will be sharing her love of Modern Art and nature through her quilts. She will also have patterns for purchase. Watch for Bonnie's upcoming Workshops being offered through the Guild.

The September meeting also brings with it the first Block of the Month. This is a fun way to get a little bit of quilting done each month, learn to do a new block or technique with the hopes of winning enough blocks for a quilt top. Make as many blocks as you would like to...put your name on the back with a piece of masking tape and bring it (them) to the meeting. We will put them on the wall for all to see and then into the bag for a draw to see who wins them all!!!

Block of the Month for September Instructions follow on Page 6.

### Preemie Quilt Challenge

Thanks to a generous donation from the West Vancouver Lions Club the Programme committee has been able to purchase fabric to make and donate Preemie quilts to the Nursery at Lion's Gate Hospital. We have chosen patterns and have made up kits, which will be available for distribution to Guild members to complete. We hope to have 10 or 12 ready for the September meeting and the rest in the following months. We are asking for a refundable security deposit of \$10.00 for each kit taken.

### October Meeting

Next month we have booked a visit from Helen Fujiki, who comes to us from Ontario. She will share with us her love of expression through the use of fabric, needle and thread.

There will also be a Block of the Month for October...look for the information in the next Newsletter.

### November Meeting

November brings the ever popular  
SEWING ROOM SALE

Start gathering your sewing goodies and plan to do some serious culling of your Sewing Room - This is your opportunity to replace your "Why did I buy this?" fabric with someone's else's gently fondled fabrics!

Look for all the details for the Sewing Room Sale in the October Newsletter...as well as another Block of the Month!

## SEPTEMBER BLOCK OF THE MONTH

All the blocks will be  $8\frac{1}{2}$  by  $8\frac{1}{2}$  (unfinished) using two colours - not necessarily just two fabrics.

This month the colours are Rusty Orange and Yellowey/Orangey/Gold - Fall colours! The block is a fairly simple Log Cabin block

All the directions and a photo are found below....If you have any difficulties, call Elaine for help. There are lots of books that have great log Cabin directions.

1. Choose two fabrics: Fabric #1 - Yellow/Orangey/Gold  
Fabric #2 - Rusty orange ( Fat quarters or scraps work well)
2. Cut 6 or 8  $1\frac{1}{2}$  inch strips from each colour , measuring about a metre and a half in length.
3. Cut 1  $1\frac{1}{2}$  by  $1\frac{1}{2}$  inch square from Fabric #1
4. Align a Fabric #2 strip alongside and sew with a scant  $\frac{1}{4}$  inch seam. Trim and Press toward centre square.
5. Lay another Fabric # 2 strip on the right side of the rectangle made in step 4. Sew, trim and press.
6. Turn the block so the strip you just sewed is on the top. Sew a Fabric #1 strip along the right side.
7. Continue adding strips to the sides, following the pattern that is forming.
8. Square your finished block to  $8\frac{1}{2}$  by  $8\frac{1}{2}$ .

Don't forget to put your name on your blocks and GOOD LUCK!!!
