

# Lions Gate Quilters' Guild

November 2010

## From Your President:

A couple of thanks are in order first this month - to Anne Read for volunteering to be our new Archivist, and to Myra Frampton and Louise Bovet for taking care of cushion delivery every month. Thank you, thank you, thank you!

And another big thank you to Dianne Ritter and Rebecca Skiffington for their enthusiasm to take on another quilt show! We'll be looking for raffle coordinators in the spring, or feel free to volunteer now!

We still need people to run for the guild executive - President, Vice President, Membership, Member at Large, Secretary and Programs. Being on the executive has lots of advantages, you get a direct say in how the guild is run and what direction it will take, and you get to meet lots of guild members. If you're concerned about not always being available for meetings, share the position with a friend and then you can take turns going to executive and guild meetings. We've decided to go back to having the President and Vice President elected in opposite years, so the VP term this time will be only one year. This allows for better continuity, as there will always be someone who knows what is going on.

November brings our sewing sale. Be sure to read the Library notice, as the library will not be laid out this month in order to accommodate all the sales tables. There will also be more preemie kits to pick up.

See you all on November 23. That's the fourth Tuesday of the month - not the last!!!!

*Carol*

# Upcoming Workshops

*By Joan Herrin, Workshop Coordinator*

## COMING IN THE FALL OF 2010

I would like to thank all (84 respondents) who took a moment to fill out the workshop questionnaire which was passed out during the September guild meeting. Curved seams, jelly roll quilts, art quilts, 9-patch pizzazz, machine quilting and colour were areas in which you expressed the most interest. We will be looking into how we can incorporate these topics into future workshops. Those topics which received expressions of lesser interest may be able to be combined to create a new and novel workshop.

If you have any suggestions for workshop instructors please visit us at the workshop table during guild meetings or send an email to Betty Clarke [rlclarke@shaw.ca](mailto:rlclarke@shaw.ca) or Joan Herrin [jherrin@shaw.ca](mailto:jherrin@shaw.ca)

## OH JOYFUL CHRISTMAS TREE SKIRT

with Krista Hennebury

Spruce up your evergreen this holiday season with a new dress! This lovely scalloped tree skirt is simple to construct with scrappy strips in bright, modern prints, or equally beautiful in traditional Christmas greens and reds. Choose a white background to accent your brights, or perhaps a dark snowflake print for a night-time scene. There are also many embellishment opportunities for the pieced treetops; add ribbon bows, button stars or perhaps appliquéd felt snowflakes! Krista will have a sample of her tree skirt at the October meeting.

Participants are free to swap strips at the start of class to build a variety of fabrics for their project, or just come along with their own fabrics ready to go. You'll learn tips for pressing long skinny strips accurately and how to apply a bias binding to those scalloped edges. Some pre-cutting is required so that we can maximize class time and get our tree skirts completely pieced! It's a Christmas project, so you know there's gonna be cookies!!

## Upcoming Workshops (Continued)

**COMING IN THE SPRING OF 2011 .....**

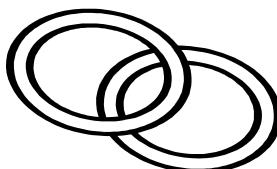

### TURNING LEAVES with Bonnie Hwang

Bonnie's love of Modern Art and love of nature has greatly influenced her quilting and can be seen through her incredible use of colour and distinctive designs.

The freehand cut curve technique produces an inimitable freeform leaf design. The offset contrasting background adds a dynamic quality to the wall hanging. Slender stems that separate the coordinating leaf fabrics add an additional challenge taking this quilt from a beginner to an intermediate level.

 PLACE: St. Agnes Church, 530 East, 12<sup>th</sup>, North Vancouver  
 TIME: 10:00 a.m. to 4:30 p.m.

### DOUBLE WEDDING RINGS with Bonnie Hwang

 PLACE: St. Agnes Church, 530 East 12<sup>th</sup>, North Vancouver  
 TIME: 10:00 a.m. to 4:30 p.m.  
 COST: \$50.00 (includes \$10.00 pattern fee)

\*\*\*Registration for both these workshops will begin at the January guild meeting so bring your cheque book to guarantee a space in these popular workshops.

### Workshop Cancellation Policy:

- If a class overfills on the first night of registration, there will be a lottery.

- If a class does go ahead all those registered on the first night would be guaranteed a spot. Further registrations would be collected on a first come basis.
- In other words, if you really want to attend a workshop make sure you get your cheque into the workshop committee in person, by mail or with a friend by the first night of registration.

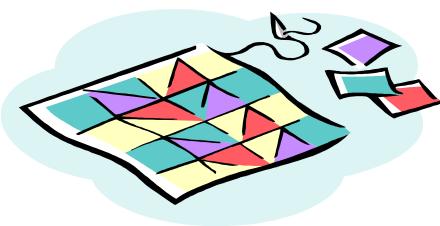

### ***IMPORTANT NEWS FROM THE LIBRARY***

The library for the November Sewing Room Sale will not be open as per usual due to space restrictions. If any Guild member wants a specific book we ask that you email the librarians with your request by Monday, November 29<sup>th</sup> and we will have your book(s) out and ready for you. We will of course be taking returns. The books and magazines that we removed from the library during the summer will be on sale at the November meeting. Thanks again to all our volunteers for all your help.

Cathy and Pamela

## From your Programme Committee .....

I hope everyone enjoyed the presentations from Helen and Bonnie. Thanks to Joan Herrin for booking these presenters. I'm looking forward to seeing some wonderful "Show and Tell" following their workshops.

Wow! There were four completed Preemie quilts returned during the October meeting! And some scraps! Leslie Chatelain has grabbed them up and is busy already making them into yet another Preemie quilt. If you have scraps, you can return them to us or feel free to acknowledge your creative juices and create another Preemie quilt using your own scraps.

There will be more Preemie Kits available at the November meeting. We will be set up in the front foyer to sign them out and to collect any more completed quilts. Feel free to hang on to them until after Show and Tell!

The November Sewing Room Sale promises to be exciting! We have eighteen tables booked so far, including two for the Library and one for Community Quilts. There is the possibility of two or three non-members setting up their wares too! We have a lot of donated items for sale at the Community Quilts table, so be sure to come and find some great treasures.

The Block of the Month for October had eleven participants, with a new member being thrilled to win the blocks. I made three more and whipped up a quick table-runner for my son and daughter-in-law. Easy! I already had the fabrics out!

This month's Block of the Month, with Christmas around the corner, uses the colours green and gold. For this month, you can substitute red for green and make your block using reds and golds. The instructions are included at the end of the newsletter, for those who do not use email.

We're hoping for all the November and December birthday babes to bring us a goodie or two to nibble on while we seek sewing room treasures at the sale.

**The January programme will be a Ricky Tims presentation on Machine Quilting via a DVD. Finally ... some tips on quilting other than stitch-in-the-ditch, outline, stippling and tying! We all need encouragement to quilt "outside our comfort zone". This may be the answer.**

See you at the Sewing Room Sale! (Bring your grocery money!!)

P.S. If you have ideas for Programme for next Spring and Fall, don't hesitate to email me ... [ethody@shaw.ca](mailto:ethody@shaw.ca). I am open to suggestions and contacts.

**From the Lions Gate Quilters' Guild  
 Album of Quilts Show 2004, Education  
 Committee Quilting Tips 2004 ....**

1. Make an extra block when piecing a quilt or wall-hanging. Using a fine-line permanent marker, add your name and date to the block, then stitch it to the backside of the quilt for a personalized label. Framing this label with leftover binding further blends the label to the quilt.
2. After positioning your blocks on a design wall, stand back, facing away from the arrangement, and look at the quilt with a mirror. This gives a different perspective and may show placement errors.
3. Sewing needles are “punched” in manufacturing; therefore, there is a right and wrong side to the eye. When it's difficult to thread from one side, remember to rotate the needle.
4. When quilting a border or hand stitching binding, start in the middle of a short side. Then when you finally round that fourth corner, there is only half of a short side left!
5. If your thimble tends to slip off while you're stitching, dampen your finger slightly before putting it on.

The video mentioned below on mitered binding for odd angles is quite useful. The sender is right on - those Christmas projects like tree skirts and decorative table runners often are non-rectangular shapes.

It's that time again when we must start thinking about elections which are coming up in February 2011. The Positions that will be open are listed below (for more detailed description of each position, please refer to your LGQG By-Laws).

**President:** This person is responsible for managing the Guild. The President prepares agendas for and presides at Directors' and General meetings, receives communications from members and the public, and prepares a report for each issue of the newsletter.

**Vice-President:** This person assumes the duties of the President in her/his absence. Note – this will be a one year term this time only.

**Secretary:** This person is responsible for keeping minutes of all meetings. She/he also prepares correspondence and notices according to the Directors' instructions.

**Membership Coordinator:** This person collects dues, provides information to new members and maintains the membership list.

**Member-At-Large:** The two Members-at-large (one is elected each year) provide another communication channel to the executive. Responsibilities include greeting people at the door for meetings and coordinating "show and tell"

Please consider letting your name stand for one of these positions.

The nominating Committee will be phoning members over the next month --if you already know the position you would like to run for, or if you have a friend you would like to nominate (with her/his permission of course), please call Karen or Suzan.

Suzan Gauthier Kolker 604-924-9860

## ***From Dianne Ritter .....***

Quilters! Have you ever spent hours, days or weeks looking for more of that special piece of fabric you need in order to complete your project?

Well now there is a website that can help! <http://www.findmyfabric.com/> is a new site where you can search for a specific fabric.

For example I have a Kaffe Fasset print "Asian Circles" that I used in my mystery quilt. I enter "Asian Circles" in the search field and press enter. Up comes a number of pictures of the fabric in different colour ways. I click on the colour way that I am looking for, in this case orange, and up comes the information about the on-line store that has that fabric. Canton Village Quilt Works has the fabric I am looking for and has a 5 star rating. I click on the link and am taken to their website where I can place my order. How easy is that??!

But wait you say, what if I don't know the name of the fabric? No problem. Take a picture of your fabric, upload it to the site using the camera icon and the search is on!

There is even a rating option so you can rate the service you receive. Isn't technology grand? Of course the drawback is that "I just can't find fabric to complete this project" may no longer be an excuse for that UFO/COP languishing in your sewing studio!!

Yours in Quilting,  
Dianne
