MARCH 2024

## PRESIDENTS MESSAGE

*“Spring is proof that there is beauty in new beginnings” – Matshona Dhliwayo.*

Well, I think we all know there is beauty in new beginnings. We see evidence of it every time we start a new quilting project. That said, what a wonderful time of year we are approaching. Seeing the tender Spring blooms, enjoying more sunshine or at least daylight and best of all, hearing the bird song every morning makes this a very special time of year.

**Please plan to come to the meeting early.** This will be a special meeting – busy, but special. Feel free to bring your old memberships lists for shredding.

Carol Chernov plans to be at the entry door at 6:30pm with screw eyes to give out, or to put in members dowels, if you prefer. Photography for quilts registered for the show will be available from 6:30pm

We will have a lot of library activity (books have been on loan since November), there will be the draw for the UFO challenge finish, quilt show photo collection and payment if you sent yours in, and quilt show volunteer sign up.

This is in addition to our usual socializing, free table and library.

Our raffle quilt will be on display and members are asked to purchase at least one book of tickets to sell. Boundary Bay will be bringing their raffle quilt and selling tickets.

Carola will be bringing a pop-up shop and sales will be available before the meeting, as well as for a short time afterward.

Whew! As you can see - it's going to be busy but all enjoyable activities. We are committed to finishing on time, so will attempt to streamline wherever we can.

Happy quilting and I hope to see you at the meeting.

## QUILT REGISTRATION

**Quilt Show registration is closing soon - Monday, March 25th is the last day to register your quilts for our show.**

Be brave! No one is going to judge your quilt because you are a beginner or it isn't perfect. I voted for a quilt at a show one time because I LOVED the fabrics and the colours and how they were used. The person I was with looked at me and said "really?" and I said, "yup, I love this one, it speaks to me."

Quilting is art, what one person loves might not resonate with the next, and that's okay. It's what makes it fun, and joyous. Your quilt might just make someone smile because they love the colours, or the pattern, or the way you put it together. That's what it's all about, the smiles.

**To register online follow this link to complete your registration: [Quilt Registration](#)**  
**Email your photos to JoAnn Lee here: [registration@lionsgatequiltersguild.com](mailto:registration@lionsgatequiltersguild.com)**

Reminder that your registration is not complete until you have completed the form by March 25th and submitted a **digital photo and \$2.00 OR a 4 x 6" photo** at or before the March meeting. If you are not able to attend the meeting a friend can drop off photos or money on your behalf.

A couple of questions I am fielding about quilt registration:

### **What do you mean by Quilt Name?**

Answer: some people use the pattern name, some like to name their quilts. I had one that was all floral prints with green that I named "Island Radar" because it reminded me of the tropics. It can be whatever you want.

### **How long should the description be?**

Answer: a paragraph is good. Maybe what your inspiration was, who it is for, a cute story about the making or giving of the quilt. Try to not make it too long, maybe 100 words.

## BOUTIQUE

Anyone wishing to sell in the boutique should first read the “Boutique Guidelines” document . Inventory sheets, and guidelines are available [on the website](#) and are also attached to this newsletter, if that is easier for you.

Please remember that every single item for sale must be priced by the maker and come with its own unique, removable price tag (we use them to track sales and inventory).

Members may sell anything they've made \*new, unused, items only\* with a focus on handcrafted (sewn, knitted, woodwork, paper craft, pottery, jewelry) items, like quilts of all sizes, pouches, home-decor, dolls, aprons, needlebooks, thread catchers, self-published patterns, greeting cards, jewelry, scarves, rope bowls etc. Unfortunately, we cannot accept any food items, for the boutique.

We encourage makers to volunteer for at least one shift in the boutique. It's great to connect with folks perusing your wares. Please get in touch if you have any questions!

## HANGING A QUILT IN OUR SHOW

We will once again be asking you to supply a  $\frac{1}{2}$ " dowel for any quilt 48" or less in width. Specific instructions about dowels, screw eyes and hanging sleeves are all on the [Guild website](#). Scroll down to “Hanging Information.”

The Guild will supply the proper sized eye hooks and make them available at meetings in March and April. Information about sleeve size etc. can be found on the Guild website.

The April Sewcial/Slow Stitch meeting on Tuesday, April 23rd will have people on hand at the church in the afternoon to help with how to finish your quilt, “bindings and sleeves.” During the General April meeting we will also be at one of the Members-Teaching-Members stations.

## VOLUNTEERS

Did you know that there are more than 215 volunteer shifts we need to fill? Without a strong complement of volunteers our show simply doesn't work. Volunteer sign up will start at the Tuesday, March 26th meeting in-person, and in the online [Volunteer Registration form](#).

Thanks to Margo Novak for helping out with volunteer registration. Her name will be entered into a prize draw, and yours could be, too: for every two hour shift you complete your name is entered into the Volunteer Prize Draw.

These are the positions we're looking to fill. Descriptions of what's involved are in the [Volunteer Registration form](#).

# Programs

We are so excited that Carol Chernov is taking over programs! She will be a great addition to the Executive. At this time I would like to thank you for giving me the opportunity to look over programs for the last year and thank my team, Suzanne, Helen & Connie

Remember March is the last month to show your finished UFO's. The finished quilts can be presented at Show and Tell and the draw will take place later in the evening

**March**, we have Carola coming. Carola will do a 30 – 45 minute presentation and her usual great pop-up shop. Shopping will be available prior to the meeting, during the break and for a short time after the meeting.

**April** is Members-Teaching-Members. If you have something that you have learned and would like to pass on, please let us know. If you have something you would like to demo, a small project you have recently completed or a technique please consider helping out. The demo would be 10-15 minutes. We would like to have a few demonstrations with members moving through in small groups.

**In May** our speaker is Battina Matzkuhn. She is a contemporary fibre artist based in Vancouver. Check her out at <http://www.bettinamatzkuhn.ca>

Thank you for the opportunity to be your program co-ordinator and I look forward to passing the torch!

# Library

It seems that the books I chose last month were popular, as most of them are already on hold. There were 5 people trying to get their hands on *Handmade Style* by Anna Graham, so I have ordered another copy!

Please remember to bring your library books back – they are ALL due now. Just drop them in the box on the library table, no need to hand them to me.

Happy Quilting
